

CADR 88CFM Mist Humidifier Air Purifier Dehumidifier Combo 2 In 1 Machine 300ml/H

Our Product Introduction

Basic Information

- Place of Origin: Anhui
- Brand Name: ENVITEK
- Certification: ETL CB EMC LVD ERP ROHS
- Model Number: KJH400GE-N1
- Packaging Details: color box+master carton
- Delivery Time: 30-45Days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

Product Specification

- Product Color: White Or Customization
- CADR: 150m³/h
- Power: 35W
- Voltage (V): 100-240V 50/60 Hz
- Noise Level: <62db (A)
- Usage: Home ,Office,Hotel
- Highlight: **CADR 88CFM Humidifier Air Purifier,
300ml/h Humidifier Air Purifier,
88CFM humidifier dehumidifier air purifier
combo**

Product Description

CADR 88CFM Mist Output 300ml/h 2 In 1 Machine Humidifier Air Purifier

The combination of these two functionalities in a single appliance offers convenience and space-saving benefits, as it eliminates the need for two separate machines. It is particularly useful for individuals who suffer from allergies or respiratory conditions, as well as for those who want to maintain a comfortable and healthy living environment. These devices often come with smart features such as programmable settings, remote control via smartphone apps, and sensors that automatically adjust the humidification and purification levels based on the current air quality and humidity conditions.

1. Humidifier Functionality:

Evaporation Technology: Utilizes advanced evaporation technology to create healthy moist air without fog, ensuring optimal humidity levels in the room.

Large Water Tank Capacity: Features a sizable water tank capacity that minimizes the need for frequent refills, suitable for medium to large rooms.

2. Air Purifier Functionality:

3 In 1 HEPA Filtration: Pre filter traps pet hair and other large particles while extending the life of the HEPA filter. HEPA filter helps to reduce harmful germs, dust, pollen and other allergens as small as 0.3 microns. Activated charcoal filter helps to reduce unwanted odors.

Activated Carbon Filter: Includes an activated carbon filter that absorbs household odors, smoke, and volatile organic compounds (VOCs), improving overall air quality.

Ionizer: Optionally features an ionizer function to release negative ions, which bind to positively charged particles for enhanced air purification.

Product Specification

Model	KJH400GE-N1
Sound Level	<=62dB(A)(Max)
DC Power	100-240V 50/60HZ 35W
CADR rate	88CFM (150m ³ /h)
Product size	Ø315*H633mm
Area coverage	28-48 m ³

Product Features:

- It is an air purifier and a humidifier 2 in 1 machine
- Fog-free humidification will keep the air moist while the air purifier is working
- 3 in 1 HEPA-type filter, with carbon and nylon pre-filter • One Wick filter
- 4 speeds and sleep mode
- Auto mode - Air Quality Indicator by 3 colors
- UVC light plus Photocatalyst effectively eliminating bacteria, virus, odors • Digital display PM2.5 value
- Negative ions released
- 12 hours timer setting
- Filter changing reminder
- Wi-Fi control for option

Why Choose Us:

•Product development

Our Marketing Team continually evaluates Consumer needs and expectations and together with our Research Department look at ways to meet and exceed Consumer expectations in today's moving world of conveniences.

•Eye-Catching Design

Innovative Design Team, through Consultations and Customers, keeps abreast with trends in home appliances to be appealing to tomorrow's Consumers.

•Adequate verification

Reliability testing in normal use and abusive situations is exhaustively done during development and preproduction to insure the Consumer will enjoy a trouble free life for the product.

•Manufacturing capability

Longevity in a quality trained workforce assures capable processes delivers the best product to Name Brand Customers.

•Business Model

Envitek, being a world class manufacturer, thinks out of the box when it discusses and establishes OEM/OBM/ODM business relationships.
