

White Reverse Osmosis Countertop Ro Water Purifier With Removable Kettle

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Envitek
- Certification: ETL CB EMC LVD ERP ROHS
- Model Number: AR303B-75G
- Packaging Details: color box+master carton
- Delivery Time: 30
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

Product Specification

- Product Material: ABS
- Product Color: White
- Dimensions: 434*177*361mm
- Filter Stages: 5 Stages
- Installation: Countertop Installation
- Feature: Easy Operation
- Highlight: **White Countertop Ro Water Purifier,
Reverse Osmosis Countertop Ro Water Purifier,
White countertop reverse osmosis water
purifier**

Product Description

White Mini Ro Water Purifier Cool Water With Removable kettle

A mini Reverse Osmosis water purifier is a compact and efficient appliance designed to provide clean and safe drinking water by removing contaminants through a multi-stage filtration process. This type of system is particularly beneficial in areas where the tap water quality is questionable or for those seeking an additional layer of purification for their drinking water. At the heart of this mini RO purifier is the RO membrane, which is capable of removing a wide range of impurities, including dissolved salts, bacteria, viruses, and other dissolved solids. This technology ensures that the water you drink is free from harmful contaminants.

Product Specification

Model	AR201A-75G
Filtration Capacity	11.8L/h
Rated Power	36W
Purification Capacity	12L/h
Water Tank Capacity	3L
Product size	L434*W177*H361mm

Product Features:

- Countertop reverse osmosis water filtration system
- Mini in size
- No plumbing or installation required, easy to use
- No pure water storage, one-click access to fresh pure water
- 5-Stage filtration, removes up to 99.99% of all contaminants
- Filter change indicator
- Energy-saving & Water-saving design
- External glass carafe & Removable water tank
- Wi-Fi control for option

ONE KEY OUT FRESH WATER**

5 - STAGE FILTRATION

PRODUCT LIST

Why Choose Us:

•Product development

Our Marketing Team continually evaluates Consumer needs and expectations and together with our Research Department look at ways to meet and exceed Consumer expectations in today's moving world of conveniences.

•Eye-Catching Design

Innovative Design Team, through Consultations and Customers, keeps abreast with trends in home appliances to be appealing to tomorrow's Consumers.

•Adequate verification

Reliability testing in normal use and abusive situations is exhaustively done during development and preproduction to insure the Consumer will enjoy a trouble free life for the product.

•Manufacturing capability

Longevity in a quality trained workforce assures capable processes delivers the best product to Name Brand Customers.

•Business Model

Envitek, being a world class manufacturer, thinks out of the box when it discusses and establishes OEM/OBM/ODM business relationships.
